VINNIES UPDATE

With pandemic protocols in place this year Vinnies has not conducted its Winter Appeal and will not undertake its Annual Street Appeal.

Instead, we are seeking support for our charitable activities through an appeal at weekend Masses on Saturday 5 and Sunday 6 September.

As well as supporting statewide activities, the Holy Rosary Vinnies conference has, through your past generous donations, been directly involved with:

- - - emergency food assistance to local people seeking assistance
 - provision of food and vouchers to a local homeless person
 - support with food to "Passages" youth group in Perth
 - emergency assistance to country folk accommodated at Crawford House while undergoing cancer treatment

- food supplies to refugees via Fr Greg Donovan
- vouchers to Red Cross soup patrol
- cash grants to seven students under the Assist a Student scheme
- twinning grants to sister conferences in India for support of their local communities
- support for one-off overseas projects in India (a hospital accommodation development and sewing machines to 6 families to enable the establishment of home businesses)
- support of local international students in financial difficulty with clothing, food, vouchers and rental assistance
- Provision of bursaries at St Charles Seminary

Your continuing support through this appeal and through donations of food and via the Church Poor Box enables this work to persist.

Thank You!

SOCIAL JUSTICE SUNDAY

Australia's Catholic Bishops have released the Social Justice Statement 2020-21, *To Live Life to the Full: Mental health in Australia today*.

COVID-19 is affecting the mental health of many. Understanding the issue helps our awareness of those needing support.

We are invited to reject stigmatisation and call for policies and services to meet the needs of the poorest and most marginalised of our community.

The Statement is at http://bit.ly/SocialJustice_2020.
